MAEDI VISNA SCHEME

All Sheep Exhibitors are requested to note that the Show will accept entries from flocks in the Scheme. Separate accommodation and unloading/loading points will be provided for both categories. Non-scheme and Scheme Sheep must travel to and from the Show in separate transport. If any Scheme Sheep come into close contact with Sheep of a lower Scheme Category, it must, on return to its own or other Scheme premises, assume the status of the contact sheep. Generally, this will require isolation and testing at 6-9 monthly intervals until the status is regained. Scheme Sheep may only be allowed in Show Rings with Non-Scheme Sheep for brief periods of time provided nose to nose contact is prevented either by leading sheep on a collar or halter or ensuring at least two meters separation is maintained at all times. Provided that these requirements are followed, Scheme Sheep will not lose their status and will not require post-move testing on return. Scheme Sheep being presented at Shows must be accompanied by a certificate stating the number and type of sheep. These certificates are available from SAC and must be presented to either the official Veterinary Surgeon or the Show Secretary or his nominee before the sheep are unloaded into the accommodation provided for the Scheme Sheep. Exhibitors – please remember to complete the box in the top right-hand corner of the entry form which asks whether or not you are entering scheme sheep.

4 pens will be allocated per person depending on entries, if you require more, please contact me.

Judging commences at 10.00a.m.

Entry fee: £5.00

Entries Close: 31st May 2026. Late entries and telephone entries will not be accepted.
